Hello,

Unfortunately, the feature to add a Degree in your ELIS account yourself is no longer available. In order to get a degree added to your account, you will need to get an OFFICIAL copy of your transcripts that reflects the degree sent directly from the college to our office. If your college uses an electronic service such as parchment, you can give them this email to send the transcripts to: transcripts@roe53.net. If they send them via mail have them send to 2400 N. Main St, East Peoria, IL 61611 Suite C.

If you have any questions, please contact our office at 309.477.2290

Thank you,

ROE#53
